

## Devon Cervical Collar

### Description:

The Devon Cervical Collar includes a width extending strap that allows for additional adjustments with each collar size. It features a soft and breathable material which provides support and comfort while holding the neck in a neutral position.

### Indications:

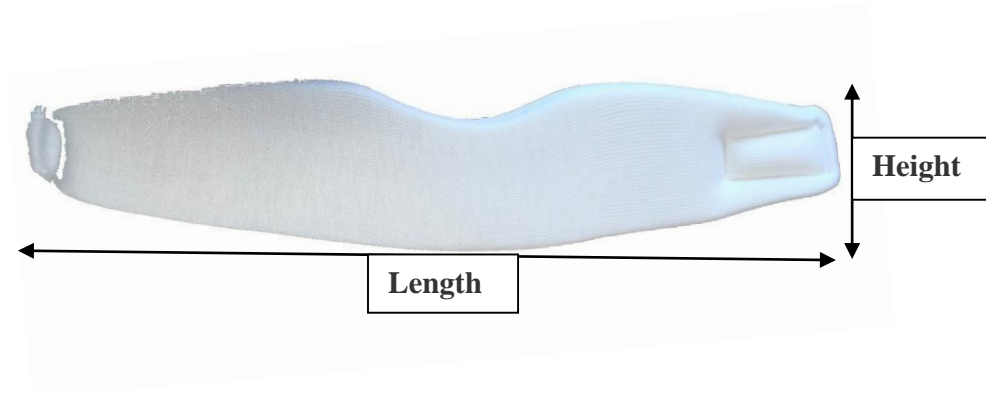

- Sprains
- Mild cervical strains
- Post-operative rehabilitation

### Product Features:

- Medium-firm density
- Tapered chin cutaway
- Deeply anatomically contoured
- Natural color, 100% cotton stockinet-covered for comfort
- Provides limited cervical motion control
- Convenient for wear while sleeping
