

# Lymphedema Compression Garments

Our lymphedema compression garments were made exclusively for patients to use with our line of lymphedema compression therapy pumps. The garments, which come in various sizes for both arms and legs, feature 4 Chambers, and a lightweight design

## Benefits

- ▶ Our compression garments feature **easy pull handles** that are attached to the zippers to make application of the garments as quick and easy as removal.
- ▶ The garments are **durable and easy-to-clean** ensuring long-lasting and permanent use with your pump.
- ▶ The garments also feature a **zipper stop mechanism** that prevents the garments from becoming fully unzipped during use.
